MILL POND

Congressman Meehan has a new man on the project. We did not use the money so it was taken for a more important project. Kraft Industries is still talking with Savas to help us clean out the pond.

LONG LAKE

Long Lake is trying to put two (2) benches in the wetland park for people to enjoy the park.

We began process to get permits in hand for herbicides for Long Lake and Spectacle Pond.

SPECTACLE POND

We should take a look at the boat launch on Spectacle Pond and also see if we can try to slow the flow of water into the Pond.

Next meeting try to figure out projects to improve or help preserve projects we have completed. We also need to start planning a transition so other committee members can take over some responsibilities in the future now that we are not grant driven.
