

## Water Fees and Services

### **Backflow Testing:**

The backflow testing charge is \$75.00 for Reduced Pressure Zone (RPZ) and \$125.00 for Dual Check Valves. RPZ devices must be tested semi-annually and Dual Check Valves annually. There is an additional charge of \$75.00 for any backflow device which fails and is not repaired within 10 business days and retested.

### **Flow Testing:**

The flow testing charge is \$100.00 per test, plus labor. Flow testing is done, per appointment, between the hours of 10:00 and 11:00 p.m. only. Hydrants are to be operated by Water Department personnel only.

### **Sprinkler Demand Charge:**

A sprinkler demand charge is billed quarterly or monthly and is based on the fire service size.

Pipe Size	Yearly Fee
Up to 2"	\$862.50
3" and 4"	\$1,150.00
6"	\$2,300.00
8"	\$4,600.00
10"	\$5,750.00
12"	\$6,900.00

### **Tapping Fee:**

The tapping fee covers all costs associated with the material, labor and equipment, as well as heat sealing as required by the Littleton Highway Department, used for installing the necessary piping from the Littleton Water Department's distribution system (up to 1") to the applicant(s) property line at the prevailing rates. It is the responsibility of the applicant(s) or the applicant(s) contractor to install the water service from the property line to the applicant(s) structure according to the Littleton Water Department's specifications.

It is the responsibility of and at the cost of the applicant and/or contractor to install water mains greater than 1" from the existing main to the building.

### **Cross Connection Survey Fee:**

The cross connection survey fee is \$25.00

LITTLETON WATER  
DEPARTMENT

39 AYER ROAD

LITTLETON, MA 01460

(M) 978-540-2222

**Research and Service Fee:**

A \$100.00 fee is assessed for file searches and copying of environmental assessments, other large documents and the use of the department’s GIS maps.

**Advanced Metering Infrastructure Opt-Out Charges are as follows:**

Manual Water Read (monthly)	\$25.00
Removal of the AMI Meter and Installation of Non-AMI Meter	\$100.00
Re-Installation of AMI Meter	\$100.00

**Service Line Cleaning Fee:**

A \$100.00 fee is assessed for lines less than 100’.  
A \$150.00 fee is assessed for lines greater than 100’.

**Connection Fee:**

The connection fee is a one-time charge for connecting to the Littleton water system. The fee is assessed according to the actual size of the service applied for, or the number of dwelling units (whichever is higher), and must accompany the application. The fee includes a one inch meter. Anything other than a one-inch meter is the responsibility of the applicant and must meet the requirements of the Littleton Water Department.

Pipe Size	Fee (domestic service pipe)
1”	\$7,565
1 ½”	\$17,021
2”	\$30,260
3”	\$68,086
4”	\$121,042
6”	\$272,344
Multi-dwelling (per apt. or living unit)	\$3,783

**Meter Installation:**

<u>Meter</u>	<u>Connection</u>	<u>Fee</u>
5/8”	3/4”	\$375.00
3/4”	1”	\$425.00
