

LITTLETON ELECTRIC LIGHT DEPARTMENT

Cordless Electric Yard Equipment Rebate Application

Eligibility: This program offers rebates for LELWD's residential customers who purchase qualified cordless electric yard equipment. Equipment must be intended for the sole use at the service location of the applying customer. Verification of cordless yard equipment is required, and rebates are subject to availability of funds. LELWD reserves the right to change or terminate this program at any time.

Qualifying products: Equipment listed in the table below must be new cordless electric yard equipment, which requires a minimum of 18 volts to be eligible for a rebate.

Equipment	Rebate
Riding Lawn Mower	\$200
Push Lawn Mower	\$100
Leaf Blowers	\$40
Hedge Trimmers	
String Trimmers	
Chain Saws	

Rebate Amounts & Payments: Rebate amounts are listed above and are subject to change at any time. Rebates are limited to one per eligible product listed and cannot exceed 50% of the purchase price. Rebate applications will be processed as they are received and rebates will be issued in the form of a bill credit.

Why use battery yard equipment? Help lower your carbon footprint by using cordless electric yard equipment! Battery powered yard equipment does not require gasoline or oil to operate and there are no fumes or exhaust while in use. Without a gas engine, maintenance is minimal and operating is much quieter and weighs less!

Verification: A copy of original sales receipt indicating purchase price, item, brand, model, date, and retailer. LELWD reserves the right to request documentation verifying ownership of products.

Incomplete applications will be returned.
